

# Minutes of Meeting held at Peasedown Cricket Club

on Friday 16th May 2025

Apologies from Keith Parsons & Neil Cradock

The Chairman conducted the Meeting

The Minutes of the Meeting held on 10<sup>th</sup> January 2025 was read and confirmed.

Charity donations: **£1.200** There were five charities proposed.

1. Dorothy House Hospice - proposed by Jeff Hodder
2. (RUH) National Intensive Care Unit – proposed by Kevin Boucher
3. Freewheelers EV Blood Bike Service - proposed by Stuart Hughes
4. Children's Hospice South West – Self proposed
5. Luckington Carnival Club - This was not a considered as it was not a registered charity, as it was felt other carnival clubs could do the same.

It was decided that **Dorothy House & NICU** would be this season's charity. Each will receive a donation of £600

Freewheelers & Children's Hospice South West, would be carried forward to next season's charity.

As the Misfits had dropped out of the league, it was decided that only **two** teams would be relegated from Division 3 this season.

Graham Whittock proposed:- That as he has much less work to do now as Secretary, his honorariums be halved and that Neil Cradock should receive £250 as **Results Coordinator**. Graham will still receive score cards, preside over draws and meetings etc. but now as **General Secretary**, receiving an honorarium of £250, reduced from £500. Keith Parsons would take over day-to-day running of the league and become the **League Manager**.

Concerns were expressed at the number of postponed matches! Teams must inform either Keith or Neil and these matches should be re-arranged and played as soon as possible.

The Chairman spoke of an incident in a match involving The Muppets, who had banned Mark Williams from their team for gross misconduct. The League has done likewise and banned Mark Williams from playing for any team in our league.

**Registration Forms** are now available on the Website. [www.p-d-s-l.com](http://www.p-d-s-l.com)

There being no further discussion the Meeting was closed.
