5. **League Constitution.** To be drawn up by the League Secretary at the start of each season. It will comprise of five divisions of sixteen teams. If less than 80 teams apply to re-enter or enter the league the six divisions will be adjusted accordingly with Free Spaces. At the end of each season the top 3 teams in divisions 2 to 5 inclusive will be promoted and the bottom 3 teams in divisions 1 to 4 will be relegated. In the event of two or more teams tying for promotion/ relegation/League Champions or wooden spoon the outcome will be decided by the head-to-head between the teams involved, first on points then on pins. If this is not decisive, then play-off on a neutral alley.
6. **Resignation.** If a team resigns after the league has been constituted the secretary can accept another team to fill the vacancy, this team will assume the vacant position for the coming season only. If placed in a higher division then they will be relegated to the bottom division irrespective of final position. The team will receive prizes if appropriate. The constitution of the league will then be restored by promoting teams as necessary. If a team resigns once the season has begun then all league points awarded to opposition teams in respect of matches played with that team shall be adjusted by the league secretary.
7. **All matches must be played.** No team may postpone a league match without first notifying the League Secretary. 8. **Postponed/Void Matches.** If the HOME team postpones a match it must be re-arranged and played before the final **meeting** of the season. **If the AWAY team postpones the match; then this now puts the responsibility on the home team to rearrange the match.
